

# Kongsberg XN material and tooling guide

	Std Reciprocating knife (Ø7AR628)	MP Hi-Frequency knife (Ø7AR641)	FoamKnife (Ø7AR671)	Long Stroke knife (Ø7AR605)	Folding Carton knife (Ø7AR621)	Triple Wall knife (Ø7AR623)	General Purpose knife (Ø7AR623)	Tang. Controlled knife T16 T17 (Ø7AR610)	Rigid Material knife (Ø7AR624)	Folding Carton crease tool 25mm (Ø7AR624)	MicroCut tool (Ø7AR626)	KissCut knife (Ø7AR626)	RotaCut (Ø7AR673)	V-Insert - V1 45-16 (Ø7AR613)	BevelKnife (Ø7AR673)	Drill tool (Ø7AR613)	MultiCUT spindle (Ø7AR649)	Braille tool	HD knife tool - 17 (Ø7AR679)	HD knife tool - 30 (Ø7AR679)	V-notch knife 45° - 15mm (Ø7AR690)	V-notch knife 45° - 10mm (Ø7AR674)	V-notch knife 15° - 10mm (Ø7AR692)	V-notch knife 30° - 150mm wheels (Ø7AR693)	
<b>Light duty paper based materials</b>																									
Paper (< 200g/m²)																									
Folding carton																									
Single wall corrugated																									
Double wall corrugated																									
Corrugated with high recycle content																									
<b>Heavy duty paper based materials</b>																									
Display carton/Solid board/Grey board																									
Triple wall corrugated																									
Fluted core board up to 16 mm																									
Fluted core board 16-30 mm																									
Honeycomb up to 20 mm																									
Honeycomb 20-30 mm																									
Honeycomb 30-60 mm																									
<b>Flexible (roll-based) materials</b>																									
Adhesive (decal) vinyl																									
Reflex foil, diamond grade																									
Vinyl banner foil																									
Mesh banner																									
Textile banner																									
Carpet materials w/ rubber backing																									
Plastic print foil																									
Sandblasting foil																									
<b>Synthetic sheet materials</b>																									
Corrugated plastic < 5 mm																									
Corrugated plastic 5-10 mm																									
Polypropylene (plastic)																									
Clear vinyl																									
Foamed PVC (Forex®, Sintra®) < 5 mm																									
Foamed PVC (Forex®, Sintra®) ≥ 5 mm																									
Solid PVC																									
Styrene, polystyrene																									
Polycarbonate < 1 mm																									
Polycarbonate > 1 mm																									
Acrylic panels																									
Lenticular display panels																									
Magnetic foil																									
<b>Sandwich materials</b>																									
Foamboard w/ paper surface																									
Foamboard w/ high pressure laminate surface																									
Foamboard w/ styrene surface																									
ACM (Aluminium composite materials)																									
<b>Wood materials</b>																									
Solid wood																									
Plywood																									
Medium density fibreboard (MDF)																									
Wooden chipboard																									
<b>Special purpose materials</b>																									
Varnish blankets																									
Ejection rubber (for dies)																									
Flexo clichés, unprocessed (Cyrel®)																									
Flexo clichés, processed, for corr. (Cyrel®)																									
Flexo clichés, processed, for labels (Cyrel®)																									
Braille signs from synthetic sheets																									
<b>Foam materials</b>																									
Polyethylene foam																									
Expanded polystyrene (EPS)																									

Reciprocating knife tools    Static knife tools    Crease tools    Kisscutting knife tools    Other knife tools    Drill tools    Milling    Heavy duty tools for PowerHead    FoamHead
